EDUCATION

British University in Egypt – Cairo, Egypt

Bachelor of Science in Pharmacy

Jun 2020

DATA ANALYTICS PROJECTS

Certificate in Data Analysis – Break into Tech

Apr 2024

PROJECT EXAMPLES

- **Product Revenue Dashboard.** Identified stores with the lowest and highest sales rates, quantified revenue by product, and identified average revenue by account; published a Tableau dashboard to track KPIs.
- **COVID-19 Rates Dashboard.** Quantified COVID-19 vaccination rates over time, by country, and by income group; published a Tableau dashboard to visualize results.
- **Superstore Sales and Profitability Executive Dashboard.** Quantified sales, profitability, profit ratio, and sales per customer. Visualized profit ratio by city on US map. Quantified monthly sales by segment and category over time by profitable vs. unprofitable orders.
- **Electronics Store Database Design.** Designed an electronics store database using SQL and analyzed statistics by product.
- **Furniture Store Sales Analysis.** Quantified sales rates per category, group, date, and purchase location, and determined most and least profitable store locations.

EXPERIENCE

Faten Pharmacy – Cairo, Egypt

Pharmacist

Jun 2021 – Present

- **Patient Care:** Expertly handle patient over-the-counter (OTC) needs by providing personalized recommendations and guidance on medication usage and potential side effects.
- **Prescription Management:** Accurately prepare and dispense prescription medications, ensuring compliance with regulatory standards and maintaining meticulous records.
- **Inventory Control:** Proactively manage inventory by monitoring stock levels and restocking medications as needed, thereby ensuring the availability of essential drugs and minimizing stockouts.

IGCSE Chemistry – Cairo, Egypt

Teacher assistant

Dec 2021 – Jun 2023

- **Exam Administration:** Developed, prepared, and graded examination papers, ensuring fair and thorough assessment of student knowledge.
- **Instructional Support:** Delivered clear and engaging lessons to students, providing additional explanations and tutoring to ensure understanding of complex chemical concepts.
- **Database Management:** Managed a comprehensive database to track and analyze student exam performance, facilitating data-driven decisions to improve teaching strategies and student outcomes.
